

Study from **2026 April** at **Fujiyama JLS!**

We are recruiting for two courses

- **1-Year course**
- **2-Year course**

Fujiyama Japanese Language School

ふじやま国際学院は、2020年に開校した新しい学校です。

世界で唯一**富士山**にある日本語学校です。

Fujiyama JLS is a new school opened in 2020. It is the only Japanese language school in the world located in **Mt. Fuji.**

Around school

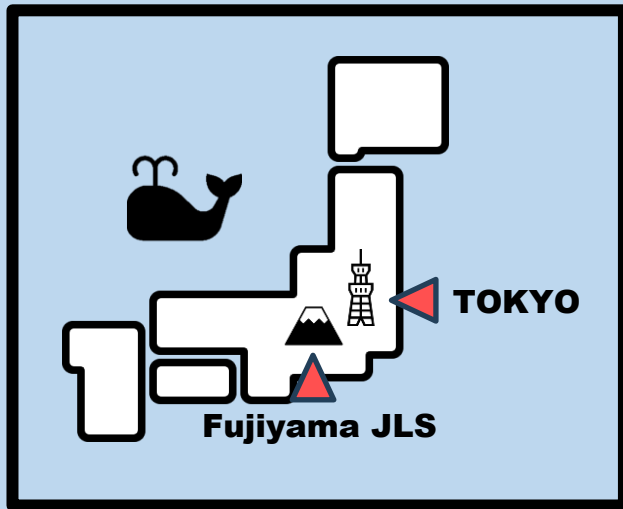

富士山と五重の塔の写真を見たことがありますか？日本を代表する景色です。もしかすると他の日本語学校や大学のパンフレットで見たことがあるかもしれません。しかし実はこの写真の近くに日本語学校は全くありません。私たちふじやま国際学院を除いては。

Have you ever seen a picture of Mt. Fuji and the five-story pagoda? It is a representative view of Japan. Perhaps you have seen them in the brochures of other Japanese language schools or universities. However, in fact, there is no other Japanese language school near this picture except us.

Our school

Where is Fujiyama JLS located?

ふじやま国際学院は、東京からバスで**2時間**の山梨県にあります。
Fujiyama JLS is located in Yamanashi Prefecture,
two hours by bus from Tokyo.

運用力・・・知識量があっても、使えなければ意味はない。

Ability: Even if you have a certain amount of knowledge, it is meaningless if you cannot use it.

Shadowing is a method of practice that raises the level of "understanding" to "ability." シャドーイングは"わかる"を"できる"に引き上げる練習方法です。

"It took me a while, but I was able to make the exact sentence!." This is not enough!

You can speak when you feel!
You can speak when you got an idea!
You can speak even if you feel nervous.
this is the goal!

日本文化授業 Japanese Culture Classes

ふじやま国際学院では日本語の授業だけではなく
日本文化の授業も行っています。
Fujiyama JLS offers not only Japanese
language classes but also Japanese culture classes.

なぜ私たちが文化の授業をするのか。
Why do we offer cultural classes?

・文化の違い Cultural Differences

【大学で】 どうしましたか？

先生の本、見ました。すばらしいですね。
本当に先生はすごいですね！

.....

リエさんは聞き上手(相づちが大切！)

・効果的に相づちを打つ

昨日さ、コンビニに行ったんだけど、
そこで高校の時の友達に会ってさ、
久しぶりだねーっていったら
こっちのこと覚えてないのよ、...

Japanese language is a high context language. It is a language with high non-verbal overtones, a language that is aware of the importance of the unspoken.

The cultural experience does not end with just having fun, but also aims to improve Japanese language skills by learning about both visible and invisible cultures.

Quality of life

Big City

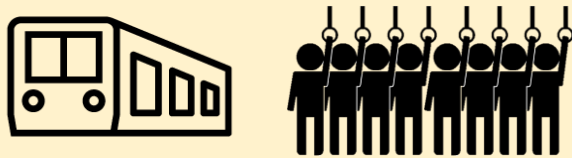

👍 Exciting City (for some people)

☹️ High rent

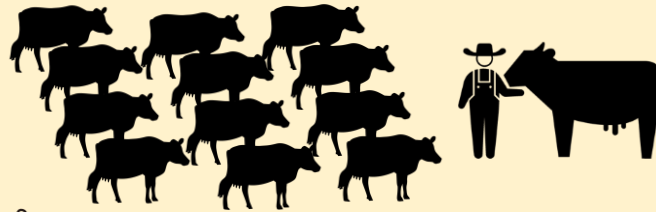

☹️ High transportation costs

☹️ Loss of travel time

Various part-time jobs, but Many students from many countries. Many competition → sometimes Night shift part-time job → many difficulty → No good for study and career

Countryside

👍 Few chance to speak

☹️ Low rent

☹️ Transport costs

☹️ Too inconvenient to go

Anywhere sometimes...

In Japan, local buses are more expensive than trains.

Part-time at a factory → No chance to speak → night shift job typically → No good for study and career

Our school

👍 Many chance to speak

👍 Low rent

👍 Low Transport costs

👍 Save money and time,
Spend Time for study & career!

Tourist area, Few citizens, Many tourists, Many Restaurants, Many Hotels, Many chance to speak Japanese! → High QOL
