## Around school

富士山と五重の塔の写真を見たことがありますか？日本を代表する景色です。もしかすると他の日本語学校や大学のパンフレットで見たことがあるかもしれません。しかし実はこの写真の近くに日本語学校は全くありません。

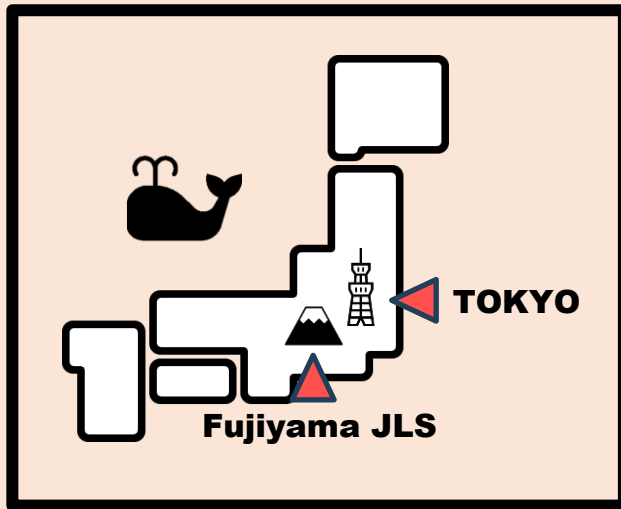

私たちふじやま国際学院を除いては。

Have you ever seen a picture of Mt. Fuji and the five-story pagoda? It is a representative view of Japan. Perhaps you have seen them in the brochures of other Japanese language schools or universities. However, in fact, there is no other Japanese language school near this picture except us.

# Where is Fujiyama JLS located?

# 運用力・・・知識量があっても、使えなければ意味はない。

**Ability:** Even if you have a certain amount of knowledge, it is meaningless if you cannot use it.

即座に下の文を日本語で言えますか？

Can you instantly say the sentences below in Japanese?

- (1) Huh? This clock has stopped. Is there no battery?
- (2) Ah, I ate too much. I'm getting kind of sleepy.
- (3) Can I borrow your eraser?

「ゆっくりゆっくり文が作れた」 これは不十分です。  
伝えたいことを、すぐに言語化できるように、覚えるだけ  
じゃなく、できるようになることが非常に重要です。

“It took me a while, but I was able to make the exact sentences!.” This is not enough!

You can speak when you feel!  
You can speak when you got an idea!  
You can speak even if you feel nervous.  
this is the goal!

校長 著書  
Principal's books

Shadowing is a method of practice that raises the level of "understanding" to "ability."

シャドーイングは“わかる”を“できる”に引き上げる練習方法です。

**I made it!**

**Good!  
But, once is not enough!  
Practice makes Perfect!  
Try again!**

# 日本文化授業 Japanese Culture Classes

ふじやま国際学院では日本語の授業だけではなく  
日本文化の授業も行っています。

Fujiyama JLS offers not only Japanese  
language classes but also Japanese culture classes.

なぜ私たちが文化の授業をするのか。  
Why do we offer cultural classes?

## ・文化の違い Cultural Differences

【大学で】 どうしましたか？

先生の本、見ました。すばらしいですね。  
本当に先生はすごいですね！

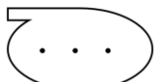

.....

リエさんは聞き上手(相づちが大切！)

・効果的に相づちを打つ

昨日さ、コンビニに行ったんだけど、  
そこで高校の時の友達に会ってさ、  
久しぶりだねーっていったら  
こっちのこと覚えてないのよ、...

Japanese language is a high context language. It is a language with high non-verbal  
overtones, a language that is aware of the importance of the unspoken.

The cultural experience does not end with just having fun, but also aims to improve  
Japanese language skills by learning about both visible and invisible cultures.
