Fujiyama Japanese Language School Officially Recognised as a Certified Japanese-Language Education Institution

Until now, Fujiyama Japanese Language School (Fujiyama JLS) has been providing Japanese-language education as an institution officially designated by Japan's Ministry of Justice to accept international students.
Today, November 13, 2026, following the announcement by Japan's Ministry of Education, Culture, Sports, Science and Technology (MEXT), we are delighted to announce that Fujiyama JLS has officially been recognised as a **Certified Japanese-Language Education Institution（認定日本語教育機関）.**
This certification system is a new framework for Japanese-language education institutions, introduced in April 2024. Under this system, Japanese-language schools—which are estimated to number approximately 800 nationwide—are, in principle, required to transition to the new framework within five years in order to continue accepting international students and providing educational services.
However, obtaining this certification has been by no means an easy undertaking.
Following a rigorous screening process, only 96 institutions had been certified by the end of last year.
It was, indeed, a highly competitive process.
In the latest application round, 230 institutions from across Japan submitted applications.
Of these, only 78 were granted certification.
Fujiyama JLS is proud to be among these 78 distinguished institutions!
This achievement represents recognition of the educational practices and dedication we have cultivated over the years, as well as the collective efforts of the many people who have supported our school along the way.
We regard this certification not as a final destination, but as a new beginning. Moving forward, we remain committed to pursuing excellence in Japanese-language education and to further strengthening our role as a school that builds bridges between the local community and the wider world.
We sincerely thank everyone who has been part of our journey and look forward to your continued support.

【　ふじやま国際学院、認定日本語教育機関へ　】

これまでふじやま国際学院は、法務省の告示を受けて留学生を受け入れる「告示校」として、日本語教育に取り組んできました。

そして本日、2026 年 11 月 13 日、文部科学省の発表により、ふじやま国際学院は晴れて「認定日本語教育機関」として認められました。

この認定制度は、2024 年 4 月にスタートした新しい日本語教育機関の制度です。全国に約 800 校あるとされる日本語学校も、今後も留学生を受け入れ、教育活動を継続していくためには、原則 5 年以内に新制度への移行が求められています。

しかし、その認定への道のりは決して容易なものではありません。厳格な審査を経て、昨年までに認定を受けた機関はわずか 96 機関。まさに狭き門でした。

そして今回の申請では、全国から 230 機関が申請。そのうち認定を受けたのは 78 機関です。
ふじやま国際学院は、その栄えある 78 機関の一つに選ばれました。

これは、これまで積み重ねてきた教育実践と、学校を支えてくださった多くの方々の努力が認められた結果です。今回の認定を新たな出発点として、これからも質の高い日本語教育を追求し、世界と地域をつなぐ学校として、さらなる歩みを進めてまいります。
